Re: Invitation letter

My name is Sindisa Qeqe from a Non Profit Organisation called sisterhood heroines in the pipelines of De Aar and Port Nolloth. I've seen the work of Kamvelihle Performing Arts and was interest in inviting them to Port Nolloth and De Aar to discover raw talent that is going to a waste due to substance abuse in the above mentioned regions.

With the assistance of Kamvelihle Performing Arts and Emmanuel Rattle one of the directors who has mentored alot of yourng Kids through a Non Profit Company The Field Band Foundation we believe that unity is power by collaborating with other Organisations for the development of our future leaders through performing arts.

Hope and trust our letter will be taken into consideration.

Yours In community development

Sindisa Qeqe
